Many thanks to the parents of children in Y3 who came in to see the children on Monday afternoon- we hope you enjoyed the session.

KS2 Children: I am sure that all parents have noticed that the children across KS2 are being allowed to access the school at 8.30am or as they enter the playground in the morning. We want to trial this for the week as we feel that reducing the number of older children on the playground will help our younger children to access their lines. We will continue to allow all of the children to access the school early when it is raining/ wet. If successful, we will continue this after half term

School Photographs: A timely note to all parents that the school photographer will be visiting on the morning of Friday 3 March. We will send out further details in the week beginning Monday 27 February.

Please note that the photographer will only take photographs of the children currently attending the school and Nursery, so no older siblings will be allowed to attend.

Half Term Holiday: The children break up for their half term holiday on Friday 17 February at 3.15pm. The school will be closed from Monday 20 February and will resume on Monday 27 February.

Please ensure the children take home all of their coats, P.E. Kits, lunchboxes and water bottles, as any items remaining in school will be disposed of for health and safety reasons. Please check our Lost Property box for any 'missing' items.

Please remind the children play in safe areas during the holiday week and encourage them to stay away from the school site. School Watch and the Police will make their regular patrols of the site, but if you see anything suspicious, please contact the Police immediately.

School and Nursery resume on Monday 27 February at the usual times.

We wish you and the children a well earned break after such a busy first half term.

Jan Cousins
