Dear Parents

Transition Meetings: All of our transition meetings went ahead as planned last week, and the staff across all phases were delighted that so many of you were able to attend.

Attendance Awards 2016-2017: Last Friday, all of the children who achieved 100% attendance in 2016-2017 were celebrated in our special Assembly.

All of the children received certificates and the lucky winners who were drawn in the raffle, were issued with vouchers/gifts. A photograph of all of the children who achieved 100% has been placed on the school's website.

September Classes: All of the children met with their new teachers last Thursday afternoon and had a really positive time in their new class bases.

Mr Gary Jenks will formally assume responsibility for teaching one of our Y3 classes in September, and he has been working in the school since May getting to know the daily routines.

For your information, here is the class structure for September 2017.

Parents- Open Evening: Tuesday 18 July 3.30pm- 6.00pm: Parents will have the opportunity to meet with their child's new teacher during our informal open evening on Tuesday 18 July between 3.30pm- 6.00pm.

This will also be an opportunity for parents to meet with their child's current teacher and discuss the annual report. We look forward to seeing you, and hope you will have a look at the children's 'decades' display.

New Heating System: The heating engineers have started work on the new system in the boiler house, and we are pleased that restrictions to school walkways have been minimal. Work is set to continue throughout the summer months and our new system should be fully installed for September.

Nursery Sessions: Please note that the Nursery will be closed on Friday 21 July. The last sessions will take place as usual on Thursday 20 July.

Friday 21 July: A reminder that the children across the school will break up for their Summer holiday on Friday 21 July at 1.30pm.
