Friday 2 February 2018

Dear Parents

As the weeks are progressing into the Spring Term 2018, and before the children break up for their half term holiday I would like to take this opportunity, on behalf of the Governing Body, to express enormous pride in the success of the school.

I am sure you will all be aware that the school has demonstrated outstanding performance within Telford and Wrekin, and we should all celebrate this wonderful success.

To be ranked within the top five schools across Telford, evidences the hard work and absolute commitment to all of our children and families from Mrs Cousins and her entire team of staff on a daily basis.

In my role as Chair of Governors, I visit the school regularly and have first-hand knowledge of the curriculum offered to the children, the learning environments provided, and always see happy children in every classroom, very much engaged with their learning. The school has excellent provision and support for all of its learners, and it is important that this is fully recognised.

As parents, your support of the school makes a significant contribution, and this is very much appreciated by everyone in the school. The strong working partnership between home and school makes such a positive impact.

I would ask that you all continue to support the school and encourage your children to wear their school uniform with pride.

Reverend Linda Cronin (Chair of Governors)

Sir Alexander Fleming Primary School
