Dear Parents

Family Learning Sessions: Please see the reverse of this letter for details about our exciting new Family Learning sessions which are planned to start soon for parents and children. The focus for these sessions is creative gardening but a great deal of the time will be spent indoors on specific crafts. There are a number of places left and we would like to fill these or the sessions will be cancelled.

Contact Numbers: Please ensure you have given the office any/all updated contact numbers for our records. These numbers are crucial if we should need to contact you urgently during the day. Thank You.

Headlice: We have been contacting a number of families recently as there have been several cases of headlice reported across the school. We fully appreciate that this is a nuisance, and we want to do everything we can to alleviate this problem (this also affects staff who are in close contact with the children every day). If headlice are detected by staff, parents will be informed immediately so children can be collected for treatment.

If any parent would like further advice regarding headlice / treatment, please contact the School Nurse on 309001.

Parking outside School: Please be reminded that it is illegal to park on the yellow zig- zag lines outside the school gate for any reason. With the numerous car parking spaces near the shopping centre, no parents should be parking / dropping off children at the rear of the school at the start or end of the day. These are very busy times, with so many adults and children in the vicinity, we certainly do not want any of our families being involved in any unnecessary accident.

We have been contacted by local residents and parents who have expressed their concern about this matter, and this has now been shared with the Police. If any parent has similar concerns, please share these with the school.

Valentine Disco- Tuesday 13 February: A reminder that the Valentine Disco sessions are due to take place next Tuesday. The times for each Disco session is advertised on the flyers around school, but check with Mrs Pilgrim if you are unsure. Tickets are still available from the office

Many thanks to Mrs Harrison and Mrs Broadhurst for arranging the Disco sessions.

Urgent: School Meals: Please be aware that the cost for a school meal will be £2.20 from 1 April 2018.

Jan Cousins
