Monday 30th April 2018

Dear parents / carers,

It has been a long and anxious wait for us all at school but now I am delighted to be able to share the report from our recent Ofsted inspection with you. On Tuesday 20 March, we had a one day inspection from a HMI inspector, Mrs Jane Spilsbury; it was a very intense day and she looked at everything in school from lessons, to parents, to books, to playtime and not forgetting safeguarding.

We are proud to say that our school continues to be a **good** school but there is a possibility that we could be an **outstanding** school. We will receive another Ofsted inspection fairly soon to see if this is the case.

I think we should all feel honoured that our school is deemed to be a highly effective and that we are recognised for having an inclusive and caring environment. Everything we do here at Sir Alexander Fleming Primary School is for our children and we aim to provide them with the success they all deserve. I truly believe that we nurture our children from the time they join us in Nursery all the way through to Year 6.

I would like to take this opportunity to thank you all for your continued support and encouragement. Our school is only strong because we all work together and we value our partnerships with parents. If you would like to give any feedback regarding the Ofsted report, then please come in and see me; your opinions, thoughts and ideas will always be welcomed.

Kind regards,

Katy Tomlinson

Acting Headteacher
