

Welcome to June in your School Library!

Miss Allcott and our fantastic librarians are continuing to work very hard to bring you a professional and easy to use library area. Did you know the books are all scanned when you book them out? The clever IPad programme tells Miss Allcott who has borrowed the book and how long they have had it, its incredibly clever and helps us keep all of our books safe. A book that isn't returned could cost you £3 to replace it.

Please help us by keeping the books in the correct place and the shelves tidy

Opening times- when you can sign your books out.

Monday—Friday 8:30-9am, 12-12:30pm, 3-3:30pm

Please do not take books from the library without them being signed out.
